About VAMED

Founded in 1982, VAMED has become the leading global provider of a full line of services for hospitals and other health care facilities. The group has implemented around 960 projects in 95 countries on five continents. VAMED's portfolio ranges from project development, planning and turnkey equipment via maintenance, technical, commercial and infrastructure services to the total operational management of health care facilities.

With its portfolio of services, VAMED covers the entire range of health care, from health tourism and preventive medicine via medical care and nursing to aftercare and rehabilitation. VAMED is a leading provider of rehabilitation services in Europe and, through VAMED Vitality World, the company is also Austria's largest operator of thermal spas and health resorts. In 2019, the VAMED group was responsible for more than 22,000 staff worldwide, generating a volume of business of € 2.6 bn.
